

The Minuteman Repeater Association

A non-profit organization providing communications infrastructure and volunteers for community and emergency events.

The Minuteman

Volume 49, Number 1

August 2019

We have TWO! (2) MMRA meetings this month!!!

Northeast HamXposition @Boroboro! 2019

Sunday, 8 Sept., 12:00—13:00
Board Room

Dave Hornbaker ~ N1DCH

Dave will lead a presentation on the MMRA repeater network followed by our annual raffle drawing.

1st prize: Icom IC2730A Dual Band Mobile transceiver
2nd prize: Yaesu FT-65R Dual Band Analog/Digital Handheld
3rd prize: ZumSpot USB Digital Hotspot .

Join us for dinner Friday and/or Saturday night!

Friday night is the DX Dinner, Saturday Night is the Grand Banquet. There are Door Prizes! The price will be \$35 per seat for a place at the MMRA table.

Check our website (mmra.org) for details and dinner tickets.

Membership Meeting

Wednesday, 18 September 7:30 PM

Two Ideas for Skyhooks

Larry Banks, W1DYJ

After purchasing a second home on the coast of Maine, Larry had to build a new ham station from scratch. This talk describes the concept, design, and implementation of an 18' rotatable mast for a 6m Yagi, and a 34' mast for HF dipoles.

This is NOT a "how to" talk. It is an "ideas" talk and has some practical ideas for construction that you may be able to use yourself.

Location [see page 11]:

New England Sci-Tech Inc.

16 Tech Circle

Natick MA

Talk-in: 147.27 pl 146.2

Annual Meeting Election Results

- ♦ N1DCH David Hornbaker – President
- ♦ WA1MDD John Spencer – Vice President
- ♦ K1KWP Kevin Paetzold – Treasurer
- ♦ W1HFP Jason Peardon – Secretary
- ♦ KC1JUO Charles Miller – Clerk
- ♦ K1IW Bob DeMattia – Director → 2021
- ♦ WA1NVC Roger Colson – Director → 2021

About the Minuteman Repeater Association

MMRA Control Operators Responsibilities

<https://www.mmra.org/MMRACOPolicy-March2019.pdf>

The Minuteman Repeater Association (MMRA) is dedicated to Amateur Radio and public service. The MMRA maintains a large system of repeaters in Eastern Massachusetts.

The MMRA meets each month from September to June. Meeting times, locations, and talk-in frequency vary and are announced in this newsletter and on weekly nets. Meetings are open to all interested parties. Guest speakers and programs of general interest occur in September, November, January, March, and May. The intervening meetings are also open to all members and are for general business.

The Minuteman newsletter is emailed one week before each general interest meeting. Members are encouraged to submit articles: send to the editor at newsletter@mmra.org. The deadline for articles is the last Friday of the month preceding the meeting.

Each Tuesday evening at 8PM the MMRA links most of the repeaters for an open net. The topic is "Technical Information and Other Stuff". Join us!

Membership in the MMRA is open to all radio amateurs. Annual dues are \$25 per individual or \$35 per family. See our website for details.

Contact information is listed on the top of the last page of this newsletter.

No part of this newsletter can be copied or posted elsewhere without prior approval from the club.

MMRA QRM Policy

MMRA members and all other operators are strongly encouraged to report repeater activity that does not abide by Part 97 rules or accepted amateur radio practice to the board of directors at contact@mmra.org or via other means.

The most effective way (and probably the only effective way) to deal with an individual causing QRM is to NOT engage that individual on the air. Please include the time and date of any incident.

Notes: FTL = Full Time Linked (or default state) PTL = Part Time Linked (on schedule or demand)

President's Corner ~ David Hornbaker , N1DCH

It has been a busy summer! New antennas have been installed for Marlborough 223.940, 448.225, APRS and the remote 6-meter receiver. The shelters at both MRE and MRW were painted and MRE got a new mast, thanks to all who participated on the work parties. There was some lightning damage to the router and DSL equipment at MRW, which resulted in internet loss for about a week. Special thanks to Bob, K1IW for his hard work with our DSL vendors to get things back up. The surge came in via the DSL line but no repeaters or antennas were damaged.

This should be a reminder to all of us to make sure our stations are properly ground and to consider disconnecting antennas when not in use.

I look forward to seeing everyone at HamXpostion. Drop by our room and say hi! We will be holding a raffle, details on prizes and entry are on mmra.org. Raffle drawing will be on Sunday at the MMRA session. MMRA will also be hosting a table at the Friday and Saturday evening dinners. Tickets are \$35 per person (discounted) and can be ordered at mmra.org/renew.html. Raffle tickets may also be purchased at mmra.org/renew.html

All memberships expire in August! You can renew membership online using PayPal at mmra.org/renew.html, or send a check to Minuteman Repeater Association, PO Box 669, Stow, MA 01775-0669, or in person at HamXpostion (cash and check only). If you renew for 2 years (expiration in 2021), you will get 1 entry to the MMRA raffle.

If you haven't updated your MMRA profile in a while, now is the time! Go to MMRA.ORG and log in to do so.

From the Treasurer ~ Kevin, K1KWP

Recent Donations

In previous newsletters we listed donations for the last couple years. To continue that acknowledgment on behalf of the MMRA board and the MMRA membership we would like to thank the individuals below for their recent donations (since the list published in the March 2019 newsletter):

AC1BG KC1KOV KF1KI W1IPI AC1DO W3EVE KE3KK K1MOQ KC1CLA KC1IUN

Membership Report/Renewals

The MMRA membership year runs from September 1 until August 31 of each year. There is a grace period for those who have not renewed from September 1 until January 1. Unless you are already renewed for 2019-2020 (or later) your membership probably expires on August 31 (before the Northeast HamXposition@Boxboro 2019). Ninety Seven members have already renewed for 2019-2020. Eighteen members have already renewed for the 2020-2021 year. These 18 members will be receiving free MMRA door prize tickets for the drawing at the Northeast HamXposition@Boxboro 2019. Any renewals for 2020-2021 before Sept 1 will also receive free MMRA door prize tickets.

New paid members

On behalf of the MMRA board and the MMRA membership we would like to acknowledge and welcome the individuals below who joined the MMRA since the March newsletter.

AB1JG K1YW K2VUD KC1HQZ KC1IUN KC1KOY KC1LNQ KC1LPZ KE4NTU N1HMT W1HFP

Newly licensed Ham Members

For several years the MMRA has been offering free memberships to new hams. On behalf of the MMRA board and the MMRA membership we would like to congratulate and welcome the individuals below who recently received licenses and joined the MMRA since January 1:

AC1HS KC1LPY

May 2019 Annual Meeting Minutes

Charles Miller, KC1JUO ~ Clerk

Meeting called to Order: 19:12 by Dave Hornbaker, N1DHC, at New England Sci-Tech

Attendance: A quorum existed within all categories

Vote for Club Officers

With no nominations from the floor, the clerk was directed to cast one voted for the slate of officers. (See page 1.)

Annual Repeater Maintenance Fund (\$2500) - Unanimous acceptance

Comment: the 2018 allocation was spent

Suggestion: Membership will be made aware of expenditures greater than \$500 - Maintenance budget of \$2500 has been approved unanimously.

Treasurer's Report -

Electric Power was ~1/4 of 2018/2019 money spent

Repeater Improvement ~1/3 of 2018/2019 money spent

Discussion Topics:

New Membership Discussion - @19:35

Tuesday Night Net / See MMRA website for details

Paint Party : June 1 & June 8 / Reference Email Listing

Meeting Presentation: Hot Spots ~ Dave Hornbaker, N1DCH : See slide selection below

Meeting Adjourned @ 21:00+

These are a selection of the slides from the Annual Meeting talk in May.

The full slide set is available at: <https://www.qsl.net/n1dch/>.

Introduction to Hotspots

David Hornbaker N1DCH

What is a Hotspot

- Low power transceiver (~0.7mw)
- Modem
- Computer with an Internet connection
- Multi-Mode (D-Star, YSF, DMR, NXDN, P25)
- Connects local RF to a reflector
- Limited cross-mode support
- Wires-X is not available on non Yaesu equipment

Why do I need a hotspot

- No repeater for mode x
- Local repeater cannot connect to the talkgroup you want
 - D-Star XRF, DCS, XLX reflectors
 - DMR – local repeater DMR-MARC need to connect Brandmeister talkgroup
- Portable hotspot + Wi-Fi hotspot

Reflectors/ Talkgroups/ Rooms

Reflectors – D-Star, P25, DMR+

Talkgroups – DMR, NXDN

Rooms – YSF, Wires-X

All basically the same thing – A server on the internet that links up nodes (repeaters, hotspots, radios)

This presentation will use Talkgroup

May 2019 Annual Meeting Presentation ~ continued

Available Hotspots

- OpenSpot2 – Proprietary
- DVMega – Pi-Star (Dual band version available)
- ZumSpot – Pi-Star (Be sure and buy the case, the OLED is very fragile)
 - ZumSpot – Bluetooth board replaces the Pi (BlueDV - IOS, Android, Windows)
- Zumspot USB – Pi-Star or BlueDV (Windows 10 PC)
- Others
- Build your own
 - MMDVM Pi hat or USB and a Raspberry Pi 3
 - Pi-Star

6/13/2019

Introduction to Hotspots - David Henderson N1DCH

MMDVM boards

- Two types repeater and hotspot
- ZumSpot and DVMega both sell just the MMDVM hat
- Several USB sticks
- N5BOC – Nice looking board, very hard to get – sold out
 - 4 layer with radio on top and computer on the bottom. Two middle layers are +3.3v bus and ground. Pi Zero form factor
 - Simplex and Duplex versions available \$65 - \$110
- Lots of Chinese knock-offs on Amazon and E-Bay \$25 - \$50
 - Two of my MMDVM boards are cheap Chinese boards from eBay

6/13/2019

Introduction to Hotspots - David Henderson N1DCH

Simplex or Duplex

- Simplex
 - Easy to setup and use
 - For D-Star DR mode, configure as a repeater with +0 offset
 - Difficult on busy talkgroup, may need use Pi-Star dashboard to drop talkgroup
- Duplex
 - Much more difficult to setup, requires expert mode tweaking
 - Fine tuning can take a while to get just right
 - Since there is a separate receiver, you can control with the radio
 - Both time slots available on DMR
 - Some boards may require > 5MHz offset

6/13/2019

Introduction to Hotspots - David Henderson N1DCH

Expert Mode

- Needed to fine tune hotspot
- Adjust offset – some boards have a listed TX/RX offsets
- OLED type - .9 inch OLED is type 3, 1.3 inch OLED is 6
- DMR TX level may need adjusting especially on duplex hotspots
- Upgrades
- SSH access from webpage
- BrandMeister API Key

6/13/2019

Introduction to Hotspots - David Henderson N1DCH

Backup and Updates

- Backup often - Backup option on the Admin page
- Hotspots will update over night if left on
 - Manually update from Admin or Configuration page
- Check for MMDVM firmware updates
 - Pstar-mmdvmshatflash, pstar-zumspotflash

6/13/2019

Introduction to Hotspots - David Henderson N1DCH

BrandMeister

- BrandMeister SelfCare - <https://brandmeister.network/?page=selfcare>
- Setup Hotspot Security
- Configure APRS
- Add Static Talkgroups to a hotspot
- BMAPI Key

6/13/2019

June 2019 Business Meeting Minutes

Larry Banks, W1DYJ ~ Clerk, *pro tem*

Meeting called to order at 7:27 PM EDT at New England Sci-Tech

Present: Dave, N1DCH; Bob, K1IW; Clark, N1NVK; Bryan, W1BRI; John, WA1MDD; Roger, WA1NVC; Bruce, KC1US; Kevin, K1KWP; Larry, W1DYJ and by Phone: Jason, W1HFP; Ed, KC1CLA

HamXposition 2019 @Boxboro

MMRA Participation:

- ◆ We will have the usual room
- ◆ We will once again do "talk-in"
- ◆ We will have a raffle. Prizes:
 - Icom Dual-band Mobile Rig - IC2730A
 - Yeasu Dual-band HT – FT-65R
 - Hotspot - ZumSpot USB Digital
 - Note: hams directly involved in raffle are not eligible to win

Friday and Saturday Dinners

- ◆ Bob (K1IW) will set up web for payment DONE
- ◆ Checks can also be mailed to John, WA1MDD: NO RESERVATIONS WITHOUT UP-FRONT PAYMENT

Program centerfold design (MMRA Advertisement)

⇒ Larry, W1DYJ, volunteered to generate

Presentation requested Sunday, 11-12

⇒ Actual time: 12-1 in the Board room

⇒ General info for ham "public" for recruitment plus the raffle drawing

September Meeting

We decided to have a normal Membership Meeting on 18 September in addition to the HamXposition 2019 presentation. Location and presentation topic to be determined.

Technical Director's Report (Bob, K1IW)

Bob gave an extensive update to all of the recent happenings and future needs. (Note, status as of 22 August)

Recent Work Completed:

- Cleanup of Brookline, decommissioned white box PC
- Hopkinton Upgrade
- 147.27 Link Radio
- 927.700 IRLP audio
- MRW Main Router (fixed, then hit by lightning, then replaced!)

- Tower Replacement at MRE & Repaint
- MRW Repaint
- New Antennas at MRW
- North Reading – cellular modem failure
 - ⇒ **Voted:** Replace failed North Reading modem (\$85): moved; Bob, K1IW; seconded: Kevin, K1KWP; unanimous
- No TX tone on 146.715
- No TX tone on 146.79

Still Pending

- Mendon controller upgrade — ready, waiting for access
 - ⇒ **Voted:** Mendon controller upgrade (\$455): moved; Bob, K1IW; seconded: Kevin, K1KWP; unanimous
- No TX tone on 146.82 - parts in, need to go to Pru – may be a while
- Future of 224.88? – Deferred for later discussion

[Editor's comment: Most of this work was done by Bob himself. Next time you see him, thank him!]

Internet S-Com Command System (Bob, K1IW)

Bob gave a quick technical overview and status update. More to follow later.

September Newsletter → August

Due to the need for a newsletter before HamXposition 2019, we decided to publish this newsletter early:

- ◆ Publication date: 26 August
- ◆ Article due date: 16 August
- ◆ Current articles "promised":
 - HamXposition 2019 preview
 - Membership meeting (18 September) announcement
 - June Business Meeting minutes
 - May Membership Meeting review (Hotspots)
 - President's Corner (Dave, N1DCN)
 - Repeater Update (Bob, K1IW)
- ◆ Other articles solicited

Treasurer's Reports (Kevin, K1KWP)

Given that we are only in the first month of the new fiscal year, there is nothing to report.

Meeting adjourned at 9:10 PM EDT

Summertime Repeater Improvements

Marlboro East (MRE) Painting Party

Thanks to Bob, K1IW, John, WA1MDD; John, KF1KI, and Bruce, KC1US

Marlboro West (MRW) Painting Party

[N1DCH Photos]

Shown in photo: John, KF1KI; Ron, KE3KK; John, WA1MDD; Charles, KC1JOU; and Dick, K1KMN
Not in Photo: Bob, K1IW; Dave, N1DCH

(Apologies if we missed anyone!)

Marlboro West (MRW) 220 Antenna Replacement

Thanks to Bryan, W1BYI; Bruce, KC1US; John, WA1MDD; Kevin, K1KWP; and the tower climbing crew from Barbrick Tower and Contracting, the 220 antenna on the Sligo water tower was replaced and the triband (6M / 2M / 70 cm) antenna was repaired.

The OLD configuration

The NEW configuration

[W1BRI Photos]

Upcoming MMRA Meetings

Note: Meeting locations and times are subject to change.

Consult the MMRA website for the most up-to-date information.
Teleconference numbers will be available one week before a business meeting—if you wish to attend, email contact@mmra.org.

Sunday, 8 Sept ~ Northeast HamXposition @ Boxboro Noon

Wednesday, 18 September ~ Membership Meeting
Speaker: Larry Banks, W1DYJ
Topic: Two Ideas for Skyhooks
Location: New England Sci-Tech Inc., Natick

Wednesday, 16 October ~ Business Meeting
Location: TBD

Wednesday, 20 November ~ Membership Meeting
Speaker/Topic: TBD
Location: TBD

Wednesday, 18 December ~ Business Meeting
Location: TBD

Wednesday, 15 January ~ Membership Meeting
Speaker/Topic: TBD
Location: TBD

Wednesday, 19 February ~ Business Meeting
Location: TBD

Wednesday, 18 March ~ Membership Meeting
Speaker/Topic: TBD
Location: TBD

Wednesday, 15 April ~ Business Meeting
Location: TBD

Wednesday, 20 May ~ Annual Meeting & Elections
Speaker/Topic: TBD
Location: TBD

Wednesday, 17 June ~ Business Meeting
Location: TBD

Don't Forget! Join Us.

Every Tuesday @ 8 PM

Technical, Informational and Other Stuff Net

The MMRA's repeaters are linked Tuesday nights for the TIOS Net. Keep up with what's happening in the MMRA and ask your ham related questions.

Net Control Operators:

| | | |
|--------|--------|----------------|
| Week 1 | W1DYJ | Larry Banks |
| Week 2 | WA1JIM | Jimmy Devaire |
| Week 3 | KC1CLA | Ed Curley |
| Week 4 | K1KWP | Kevin Paetzold |
| Week 5 | KB1OQA | Tom Turner |

To connect using Echolink / IRLP during the Net:

- Echolink Conference *NEW-ENG2*
- IRLP node 4133
